

To: the Occupant of the Office of Manager/CEO,

Notice to Agent is notice to Principal, notice of Principal is notice to Agent.

Peace and blessings to you in the name of the Divine Creator.

The Government of Western Australia is a private corporation, trading as The Western Australian Treasury Corporation [ABN 22 300 359 323] they are a counterfeit look alike Commonwealth Government that has been installed by stealth and subterfuge. Mark McGowan, who Occupies the Office Premier, Treasurer, Minister for Public Sector Management; Federal-State Relations, has no more authority to issue mandates than the C.E.O. of McDonalds.

As the Occupant of the Office of Manager, enforcing the proof of Covid-19 vaccination and mask mandates you are aiding and abetting the implementation of a medical apartheid, social credit system that will have far reaching consequences that we can never return from. If entry into your business requires your customers to take an experimental Covid-19 Vaccine as a condition of entry, the onus is on this business to prove that the Covid-19 experimental poison is safe.

And he causeth all, both small and great, rich and poor, free and bond, to receive a mark in their right hand, or in their foreheads: and that no man might buy or sell, save he that had the mark, or the name of the beast, or the number of his name. Here is wisdom. Let him that hath understanding count the number of the beast: for it is the number of a man; and his number is Six hundred threescore and six. Revelation 13:16-18, Authorized (King James) Version.

These are difficult times for everyone, as we move forward we need to stand strong and not submit to this medical tyranny. We are healthy until proven sick. This correspondence is evidence of your notice.

If you would like your business to be removed from this boycott list, you will need to change your business policy around Covid-19.
